Report No. 2, Board of Missions was read and after discussion, upon call for the previous question, was adopted as and relying upon the growing missionary spirit of our people, follows:

In view of the increasing needs of our home territory the Conference Board of Missions suggests that individual charges assume the support of special fields under our care, by raising in addition to their assessment, an amount equal to the appropriation to any mission, such charge selecting the

field to which its special aid be directed, through the Executive Committee.

That all money so raised be forwarded through the regular channels and credited to such charges raising it.

That our presiding elders be requested to lay the matter before the charges in their respective districts, and take such steps as they deem wise in the execution of this plan.

The large attendance each afternoon shows that these lectures are of interest to others than those to whom they are specially addressed. Dr. Tillett is a quiet, but impressive speaker; his long experience as a minister and his connection with Vanderbilt University, make him thoroughly familiar with his subjects.

CHURCH EXTENSION ANNIVERSARY.

Saturday evening at 7:30 o'clock the Anniversary of the Church Extension Society was celebrated. Dr. Thos. W. Tomkies, president, in the chair. When the choir had rendered a voluntary the chairman read Isaiah 62nd and hymn 208, "I love Thy Kingdom Lord," was sung. Brother D. A. Cole led in prayer. The choir sang, "Nearer My God to Thee."

The report of the Annual Conference Board of Church Extension was read by brother A. M. Mann. The report showed increased interest in this department of work. But the demands upon the Board have likewise increased, only forty per cent. of which has the Board been able to meet for lack of funds. The encouraging statement was made however, that the assessment for this purpose was met in full the past year, not including \$985.44 special for the Italian work in Tampa.

Dr. W. F. McMurry was introduced, and after the congregation had sung one verse of "All Hail the power of Jesus name," addressed the audience on the great work of Church Extension, of which he is the appointed leader of the Southern Methodist Church.

He congratulated the Conference on placing herself among those Conferences paying in full, the assessment for this cause. He pointed out that of the amount collected by this Conference since the organization of this department of work, the whole amount and \$50,000.00 more had come back to Florida in loans and donations. He was persuaded therefore that the Florida Conference believes in Church Extension. His address

was replete with illustrations proving the great necessity of building the right kind of buildings, and in the right place, if we would succeed in the work of the church in its various departments.

15,735 is the total number of houses of worship in our connection. 536 were built during the past year. There are however, 18,505 societies, having 2770 societies unhoused. 409 new societies were organized during the year. Of the above number of churches, 6356 were aided by the Church Extension Society. Rounding up, he made a strong appeal for prayer if not for funds, to assist in taking the "Big Pastures" for Oklahoma. Benediction was pronounced by Dr. G. B. Winton.

SUNDAY SERVICES.

The day dawned bright and fair, adding another to the glorious days of sunshine that we have had all through the session.

At 9:30 a. m., the Conference Love Feast was held, Rev. R. H. Barnett conducting the exercises. For an hour and a half testimonies of religious experience were given by scores and at the close of the service, almost the entire congregation rose to their feet as witnesses for Christ.

The Church was filled to overflowing at the 11 o'clock hour to listen to the sermon of Bishop Morrison, who preached from the text, Psalm 126:6. His subject: "Some of the Essentials for a revival." Plain, practical, forcible, are words appropriate to use in writing of this earnest discourse, addressed to young preachers especially, but adapted to all his hearers.

At the close, the following were ordained deacons by the Bishop: Ludwig Oser, J. Lawton Moon, Daniel B. Sweat, James M. Glazier.

In the afternoon a memorial service was held, Rev. A. E. Housholder, presiding. Memoirs were read of the following brethren: Wilbur F. Norton, Thomas M. White, Wm. H. Parker. A resolution touching the death of the late Bishop J. J. Tigert, was read and Bishop Morrison made appropriate remarks.

Whereas, on the 21st of November, 1906, God saw fit to remove from earth's activities, Bishop John J. Tigert, one of our chief pastors, and

Whereas, The Church in its every part is directly affected by this inscrutable providence, be it therefore

Resolved, That we the members of the Annual Conference in Memorial service assembled, deem it a privilege to give place to the honor of our deceased Bishop, not presuming to recount, but to give some expression to our appreciation of the magnificent gifts and shining virtues of this great leader in our Israel.

Resolved, further, That while we realize very keenly the great loss our Church sustains by Bishop's Tigert's death, we nevertheless bow in humble submission to Him who, burying His workmen, still carries on His work. Signed,

A. E. HOUSHOLDER.

W. J. CARPENTER.

S. W. WALKER.

RESOLUTIONS OF THANKS.

We desire to express our sincere appreciation and cordial thanks for the generous hospitality of the citizens of Palatka, to this body, to the Churches who have invited our ministers to their pulpits, to the transportation companies for reduced rates, and to the pastor, Rev. J. F. Bell, and Committee on entertainment, for their very complete and satisfactory arrangements for our entertainment, to the choir for their excellent music, and to all others who have in any way contributed to our comfort and welfare. Respectfully,

H. E. PARTRIDGE.

TO DR. W. F. TILLET.

Dr. W. F. Tillett, Dean of the Theological Department of Vanderbilt University, having on the invitation of the Undergraduate Association, laid aside his duties at the University and come to us with messages of encouragement and calls to deeper and broader consecration.

It is therefore resolved by the Undergraduate Association of the Florida Conference that we most sincerely thank Dr. Tillett for his highly appreciated services, and hereby express our strong appreciation of the grand and ennobling sentiments of the lectures he delivered so earnestly and lovingly to us his younger brethren.

Further it is resolved that it is the sense of this association that we have profited by these lectures, and that our ideals of our high call have been exalted thereby and that we believe our ministry will be enriched by the inspiration of their thoughts and deep piety.

And it is resolved that these resolutions be read in the Conference, and a copy of them be delivered to Dr. Tillett.

MEMOIRS

REV. W. H. PARKER.

Brother Parker was born May 2, 1842, in Lee county,

Georgia. Entered the Confederate service in Company H, 13th Georgia Regiment July 3, 1861, and served until the close of the war. Married Mattie L. Kendrick October 18, 1866, was licensed to preach August 22, 1877. Admitted on trial in South Georgia Conference, and transferred to the Florida in December, 1878. Ordained Deacon by Bishop Kavanough in January, 1883. His wife died August 13, 1885. Married Mary H. Jones, December 30, 1886, the mother of his only child, Frank Parker, second wife, died March 27, 1892. Married Mary E. Stuber November 14, 1894. Wife and son now living in Largo, Florida. Brother Parker was a man of strong faith and deep piety, devoted to God and the Church; he was a faithful pastor and a good preacher. In our Conference he did hard work, serving difficult charges. Wonderful in prayer, always pleasant and cheerful. He was successful in leading many souls to Christ; successful in building churches and parsonages; active in serving the church to the end of life. As he came near the end, he suffered much, occasionally expressing himself: "It will be good to lie down and rest." On February 7, 1906, he was called from labor to rest. Surely the Lord has said: "Well done thou good and faithful servant." We will meet again.

A. E. HOUSHOLDER.

REV. T. M. WHITE.

The subject of this sketch was born in Pickins county, South Carolina, in the year 1853, and departed this life at St. Lukes Hospital, Jacksonville, Florida, July 27, 1906.

He came to Florida in 1883, and joined the Florida Conference at Madison, Florida, January, 1884. He was married to Miss Montie Claywell on January 28, 1896, and to this union a son was given, who survives both father and mother, and who is now in his eighteenth year.

Brother White served various pastoral charges in our Conference, his last appointment being that of Duval Mission. While in charge of this work, he was stricken down with his last illness.

He was a man of solid piety, of considerable intellectual culture, but very retiring in his nature, and unassuming in his manners. He was kind, ever ready to oblige his friends and brethren. Perhaps he was not always understood, nor his many virtues entirely appreciated; but he was greatly beloved by his brethren in the ministry, and by a host of Christians in Florida. Whatever in his life of success or failure, of happiness or sorrow, it has all passed with our brother. He has gone from works, to rewards. During his earthly life, he ex-

perienced his sorrows, but has he not met with his Saviour who "was a man of sorrows, and acquainted with grief?" Has not the touch of Christ banished all sorrow and pain? May we not adopt the last stanza of James Montgomery's splendid old hymn?

"The pains of death are past,
Labor and sorrow cease;
And, life's long warfare closed at last,
His soul is found in peace.
Soldier of Christ, well done!
Praise be thy new employ;
And while eternal ages run,
Rest in thy Saviour's joy."

M. H. OUTLAND.

REV. WILBUR FISK NORTON.

Rev. Wilbur Fisk Norton was born in Barbourville county, Alabama, July 22, 1840, and on the morning of September 4th, in Bronson, Florida, he was not for God took him in his 67th year, after an illness of six weeks. He was reared under the influences of a Christian home, being the son of Christian parents. His father, Rev. John W. Norton, was a useful Methodist preacher. Under such conditions, he was led to give his heart to God in his youth and his life to the church of his parents. He was educated in the common schools of his native State, and in the East Alabama College at Auburn, where he spent three years. He was licensed to preach when eighteen years of age. He enlisted in the Confederate army as a private but was soon appointed Chaplain of the 39th Alabama Regiment, which place he filled until the close of the war.

He joined the Alabama Conference in December, 1869, at Union Springs. He remained in that Conference for six years, and then was transferred to the Florida Conference, serving the Gadsden Circuit as his first appointment in his new field of labor. He was appointed Presiding Elder at the Conference of 1887, continuing in this relation until 1896, when he again resumed the work of a pastor, until failing health necessitated the placing of his name on the honor roll of his Conference in 1902. Brother Norton often said that the preaching of the Gospel was his greatest delight and he continued to preach often, as much as twice a month, preaching his last sermon only a few weeks before his death.

On December 7, 1865, he was happily married to Miss Sallie E. Cassady, of Lawrenceville, Alabama, who cheerfully and loving shared all the hardships and trials of his itinerant

life and helped him to build a Christian home, in which three daughters and three sons were reared for Christ and His church; two of his sons being useful members of this Conference. Our lamented brother is sorely missed from our ranks. He was one of the most useful members the Florida Conference ever had. Of liberal culture, a clear thinker, of a pleasing and persuasive address, of a strong and sympathetic nature, with a deathless passion for souls and filled with the love of Christ, "he was a workman that needed not to be ashamed rightly dividing the word of truth." He was a gentle and companionable man, with all the friends that it is lawful for a man to have who faithfully discharges his duty. Our brother was most influential and did his best work in his own home. The charm of his loving and consecrated life was most strongly felt in the sacredness of the home circle. One of his sons gives this noble appreciation of his worth. "As a father he was always kind, gentle and loving. He was never heard to say an unkind word in the home. His life has been a source of inspiration to his children. He was a painstaking man, always looking after the small things of life. Not one of his children ever doubted the genuineness of his religion." Not only to his family, but also to his Conference and his church, he has bequeathed that which is more valuable than much fine gold and more enduring than monuments of marble and brass. the salutary and Christian influences and forces of a holy life and of a useful ministry. Our brother lived well and he died as he lived.

"O may we triumph so,
When all our warfares past;
And dying, find our latest foe,
Under our feet at last."

REPORTS

REPORTS

BOARD OF TRUSTEES SOUTHERN COLLEGE.

The Annual report of the Board of Trustees of Southern College to the Florida Conference, Methodist Episcopal Church, South, convened at Palatka, December 12, 1906.

Bishop and Brethren:—Southern College, the college which we report today, is the Florida Seminary of yesterday, the name having been changed by a unanimous vote of the Board of Trustees at their annual meeting in May of this year, subject to confirmative action by this body. The change of name was deemed advisable in view of the very manifest demand for a Methodist School of College grade in Florida, which could not be so well maintained or advertised under the Seminary idea.

INCORPORATION.

We ask the Conference to authorize our attorney to secure an amendment to our present charter changing the name from The Florida Seminary, to Southern College.

THE LOCATION.

Is ideal from the standpoint of health, surrounded as it is by high rolling pine forests and facing the open Gulf whence health laden breezes make malarial and zymotic diseases practically unknown.

ACCESSIBILITY.

The Atlantic Coast Line, one of the trunk railways of the State, and of the South, passes directly through the college grounds en route from Jacksonville to St. Petersburg, affording ample facility to students in reaching the college.

THE BUILDINGS.

The college buildings proper, as now catalogued, consist of a large and handsome structure containing 159 well constructed rooms, gas lights and steam heated. This is the Girls' Dormitory. The second is a building of 50 rooms, now used as a Boys' Dormitory, but entirely inadequate to our demands. The third building, begun in March 1904, is a splendid brick structure, containing class rooms, chapel, library, etc., which was erected at a cost of \$20,000 and on which there remains an indebtedness of about \$4,500 of the total of \$5,500 now outstanding against our College property.

In this connection it should also be noted that we now own and operate a steam laundry plant representing an outlay of \$2000. At another place attention will be called to our growing need for more buildings, which it is hoped may be supplied at least, in part before next sitting of our annual conference. In the main, our buildings are in a good state of repair and are kept covered by a reasonable insurance against loss or damage by fire.

HISTORY.

The school was opened for the reception of its first students on September 24, 1902, with an enrollment of 107 which was most flattering when it is considered that there was practically at that time, little local patronage, there being only one family living on the college grounds. Before the close of our first scholastic year, matriculation had reached to 208. The same year, showed in September 1903, an enrollment of 126, which increased to 226 as reported at the Commencement May 1904. The third opening, September 1904, showed an initial enrollment of 205 pupils being an increase of 74 over the previous year of practically 70 per cent. The close of this term showed an increase to 310. Our fourth year opened September 27, 1906, most favorably with 239 matriculations. At this time we report an enrollment of 298.

THE FACULTY.

The faculty, of which Rev. S. W. Walker, A. M. D. D., is President, consists of 17 teachers. These have all been selected after due thought and care and on grounds of special fitness for their work.

CHANGE OF FACULTY.

At a very recent date it has been found necessary to make a change in the management of our conservatory of music by the election of Prof. Carlos Moro, as director, to fill the place of Dr. H. C. Wulf, dismissed.

DEPARTMENTS.

In addition to the usual classical and literary college courses leading up to degrees of A. B. B. L. and A. M., we have departments of art, elocution, music and Business schools.

CLASSES.

All the regular college classes are provided, in addition to sub-freshman, a beginners course which embraces three years. Only about one-third of the pupils are in the sub-freshman classes. Beginning with a graduation the first year of one each in music and literary courses, the number has

steadily increased till the close of our last scholastic year, when 16 were graduated, from the several departments of instruction.

THE CURRICULUM.

In the matter of arranging a curriculum, we found it to be not only advisable but necessary to take advanced ground in view of the growing demands on the part of parents and students for advanced literary work, so that our curriculum now stands equal to that of any first class college, meeting the requirements of our General Board of Education.

BOARDING.

We need only to say of this, that a boarding department is maintained for boys and girls. The college dining room is located in the girls Dormitory building and is amply adequate to meet our large demands. That is maintained at a cost of \$50.00 per student for a term of 17 weeks, payable in advance.

FURNISHING AND EQUIPMENT.

In study halls and recitation rooms modern furnishings are provided including Well's patent desks, black boards, etc. Dormitories are all comfortably furnished with all standing and heavy furniture. Bed linens, towels, etc., are provided as is the custom everywhere, by pupils.

RELIGIOUS.

The religious influence of the school is pronounced and of high order. So far we have had a resident pastor, who lives among the students. Preaching services are held every Sunday in the college chapel for the benefit of the student body and the local community. Attendance by students is compulsory. There are also a well organized Sunday-school and Epworth League, and a mid-week service for prayer. The religious training of pupils outside of the public ministry of the Word, is also looked after, not necessarily along sectarian lines, but in the broad catholic spirit which we believe should characterize religious colleges as a consequence of the intensive religious spirit of the school and its religious atmosphere, vibrant with the thought and purpose of God. Many pupils who come to the school out of the church and unsaved, return to their home in the conscious enjoyment of a religious experience, while some are led to feel their call to the Ministry of the Gospel of Jesus Christ.

FINANCIAL.

Of course in planning so largely as we have had to do for the housing and care of our students, it would have been almost miraculous not to have incurred debt. But considering the work we have inaugurated our present indebtedness

amounting now to \$5,500 is very small, furthermore, receipts from board and tuition have so far been amply sufficient to meet current expenses.

SPORTING.

It is the settled and determined policy of the institution to keep down so much of the sporting influence of modern college life, as will in any small measure interfere either with the moral well being or religious life of the student body. This however, must not be construed into the disallowance of athletic sports and exercises among the students themselves and on their grounds. Undoubtedly, physical culture has its normal place in every institution where there are growing boys and girls.

SPECIAL NEEDS.

The college needs the moral support and the prayerful sympathy of its entire constituency. These are essential, but in addition it also needs very sorely the financial backing of our people. Among other things there is a grievous crying demand for larger accommodations for our boys. To provide adequately for this need, we should have at once \$10,000 for a new building. There is also a grievous demand for a gymnasium and athletic field. \$10,000 could be easily and most profitably expended in meeting this need. Again, the college should be endowed. To provide such an endowment as is required for adequate and safe maintenance of the interests committed to it, will not be a task speedy or easy of fulfillment. But at all hazards, a nucleus should be attempted at an early day. To this end, and to further conceive the material aim and interests of the school, it is the undivided judgment of your board that we should employ an active financial agent. In this connection after having canvassed the field, we have agreed to request the Board of Education to recommend Rev. C. C. Cecil to Bishop Morrison for appointment to such agency for the ensuing conference year.

LIBRARY.

We have a choice collection of books in the college library which now numbers 3500 volumes—about 500 of which in addition to \$110, were recently received as the result of the Thanksgiving appeal.

REPORTS FILED AND AUDITED.

The reports of the Treasurer, Land Agent, President of the College and the President of the Board of Trustees, have each been filed with the Board of Trustees, audited, approved, and are open for the inspection of any who may have cause to investigate.

CONCLUSION.

President Walker, and the faculty are endorsed and commended to the confidence and patronage of Methodist everywhere, and as well to all persons seeking the very best education under Christian auspices for their sons and daughters. In true education the mental and moral development receive like care and consideration.

J. P. HILBURN

President Board of Trustees

BOARD OF EDUCATION.

To the Bishop and members of the Florida Annual Conference:

Dear Fathers and Brethren:

Recognizing that the greatest interest of the Church, next to the salvation of souls, is the education of its youth, it affords us very great pleasure to learn from all quarters of the general prosperity and well being of our educational institutions throughout the connection.

There have been 54 new school buildings erected during the year, an increase of twenty-two over last year. These have cost \$812,074, an increase of \$377,516. The total valuation of all our school buildings is \$9,789,738, nearly \$10,000,000, an increase of \$1,551,739, or over one and a half million dollars. Our 198 institutions of learning of all grades have an endowment of \$3,516,173, an increase of \$1,115,711 over last year. The value of gift and legacies is \$557,541, which, together with other sources of revenue, make the total income amount to \$1,768,108, an increase of over one half million dollars. We have now a total enrollment of students of 34,446, an increase of 5368.

We call attention to the fact, that the educational assessment, by order of the General Conference, is hereafter to be known as "The assessment for Educational Extension," and the collection therefor is to be taken separately and sent to the Secretary of the General Board, at Nashville. This collection includes the following items:

1. The support of the General Board, publications, etc.
2. The support of the Correspondence School, publications, etc.
3. The colored work of the Church.
4. The development, according to the best judgment of the Board, of education in the pioneer territory of the church.

This assessment is made by a committee of the General Conference for the ensuing year.

Wesleyan College.

Susannah Wesley Memorial Hall has been completed at a cost of \$32,000. The total property value of the college is \$300,000, and endowment \$25,000. The enrollment of students this year is 462. It has 33 teachers. We are gratified to learn that this splendid college, in the language of one its representatives, is "hampered only by its prosperity."

Emory College.

This time-honored college, which has sent more missionaries into the field than any college in Southern Methodism, has increased the value of its property by improvements to the amount of \$25,000, making its total value \$200,000. It has an endowment of \$228,665, and an enrollment of 292 students. It has fifteen teachers in its faculty. It is in a most prosperous condition, and solicits and deserves the patronage of those who send their sons out of Florida for an education. We commend it most heartily to their consideration.

Southern College.

This young, but vigorous offspring of our own Florida Conference, and the object of our tenderest solicitude, has a property valuation of \$175,000, has 17 teachers, and 310 students. It had, and is still having a phenomenal growth and the sphere of its usefulness is continually enlarging. It is taking rank amongst the best colleges of the South. Its curriculum and faculty are of the highest grade, and it is doing the best quality of work for our sons and daughters in training their minds and hearts for the duties and responsibilities of life. We take especial pride in commending it to the patronage and financial support of the people of Florida.

Ruth Hargrove Seminary.

We have not received any report from this school for the last year, and cannot, therefore, give specific data as to its present condition, but we have reason to believe that it is in a flourishing condition, and is doing an excellent work in and for the city of Key West.

Apportionment For Assessment For Collection.

Total assessment for 1907, \$4000, divided as follows: (See attached statement.)

Dr. S. W. Walker is recommended for President of Southern College.

SABBATH OBSERVANCE.

In the divine economy for the redemption of the race, God instituted the Sabbath for the benefit of man, and commanded that it be kept holy, for it is the Lord's day. Not that all days are not His, but this one in a special sense. The keeping of the Sabbath as taught by Christ, when He walked among men, would work a revolution in this country for good. Its observance is one of the safe guards to this nation, and to her institutions. Its non-observance is one of the dangers that confront us and one of the problems that call for the earnest prayers and wisdom of the church. We thank God for the Christian homes found in the city and country, whose wholesome influence to the moral world is as salt to the natural world. One way by which we can help to remove the evil of Sabbath desecration is to establish more Christian homes. Secondly, separation from the world. Thirdly, consecration to God and hearty co-operation with every effort upon the part of the State for the proper observance of the Sabbath.

The Sabbath in a large sense is what we make it. We can make it a day of strength or a day of weakness. So with the school or the Church, they are what we make them. We are the living creatures, they are the things. The tendency of this age is to worldliness and this leads to Sabbath desecration, and other evils follow. To counteract them we must take a bold stand for God, and for the moulding of public sentiment against the evils of today that are drawing hundreds and thousands away from the house of prayer on the Sabbath. If we wish to make the Sabbath what God intended it to be, let every man do his best.

Resolved, First, That we do all in our power by teaching and preaching, and by example to bring about a better observance of the Sabbath.

Resolved, Second, That we are in hearty sympathy with every effort of the church and State to put down the evils of Sabbath breaking and will render any assistance in our power.

T. J. PHILLIPS, Chairman.

REPORT OF TRUSTEES OF F. C. COLLEGE.

Your college property at Leesburg has for several years been tied up by litigation in the courts. We are glad now to report that during the present year the case has been decided in favor of the Trustees, and the Church has been completely vindicated by the court.

The attorney for the Trustees is Col. S. J. Hilburn, of Palatka, and to his able management of our interests we are greatly indebted as a Conference.

After the case was decided the Trustees again took charge of the property, which consists of two buildings, the school and dormitory furniture, and six acres of land. We submit the following resolutions for adoption by the Conference:

Resolved, First, That we hereby express our appreciation of the able and efficient services of Col. S. J. Hilburn, in his successful work as our attorney in protecting our college property, and in vindicating the honor of the church.

Second, That the Trustees of the Florida Conference College be authorized to turn over all the furniture of said institution to the Trustees of Southern College at Sutherland.

Third, That the Board of Trustees of the Florida Conference College are hereby authorized to sell or otherwise dispose of the property at Leesburg, on such terms as they may deem best; and that the proceeds of such sale be transferred to the Trustees of Southern College for our educational work in that institution.

A. E. HOUSHOLDER, President.

ORPHANAGE.

We your Orphanage Board after due consideration, present the following resolutions:

Whereas, Florida Methodism has no Orphanage, and whereas, there is an increasing interest manifested in our Florida Methodism looking to the establishment of an Orphanage in our Conference, therefore be it

Resolved That it is the sense of this Board that the time has come for the establishment of a Methodist Orphanage for Florida, and we recommend that immediate steps be taken to that end by our Conference.

Resolved, Second, That we recommend the election of the following Board of Trustees for said Orphanage:

Clerical: L. W. Moore, T. J. Nixon, Smith Hardin, C. W. Inman, W. A. Wier.

Lay: W. R. Thomas, C. W. Smith, H. J. Davis, S. J. Hilburn.

Resolved, third, That we recommend the appointment of an orphanage agent at this Conference, who shall immediately enter upon the duties incident to his office.

That the salary of said agent be fixed at (\$1200) Twelve hundred dollars and necessary traveling expenses, said salary and traveling expenses to be paid out of funds raised by said agent;

That Rev. J. P. DePass be appointed as said agent, and that he be authorized to receive bids as to location and submit the same to the Orphanage Board which shall be called together for such purposes by the chairman.

Resolved, fourth, That we earnestly appeal to our Sunday Schools and Epworth Leagues to assist us in this worthy cause. That all Fifth Sundays be set apart and recognized as orphanage day in our Sunday-schools and Epworth Leagues, and that collections raised on said Fifth Sunday be devoted by them to the Orphanage cause.

Respectfully submitted,

R. M. EVANS,

Secretary.

SAMUEL SCOTT.

Chairman.

BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, beg leave to report:

1. That we find our Conference organ making improvement and growth. We bespeak for our editor the sympathy and support of the brethren.

2. We rejoice in reports of prosperity from our General Organ, both branches of the Publishing House, the Sunday School and League Literature.

3. We recommend that Rev. B. K. Thrower be appointed Conference Colporteur and that the brethren as far as possible not only give him their patronage, but also aid him to get his books before the people.

I. C. JENKINS,

Secretary.

J. B. MITCHELL,

President.

TEMPERANCE.

Your Committee submit the following report:

Dear Fathers and Brethren:—The Church of God has before it the liquor traffic which is a problem hard to solve, for this reason. Our government sanctions this evil by licensing men to issue to its citizens a poison that is more deadly than the serpent's bite. It sanctions an evil that destroys its citizens intellectually and morally. Yea, for money, our gov-

ernment is satisfied in destroying the homes, the happiness, the character and lives of its people. As a church, God has placed upon us the responsibility of protecting the homes, the lives, the characters and souls of the people, by counter-acting the influence and destroying his monster evil. It is gratifying to know our church has put itself on record as being a strong foe to this traffic, and it is through the church that the sentiment for prohibition is growing in our land.

This is seen very plainly in our own State. Out of forty six counties, through the influence of the membership of the church, thirty counties have been voted dry. Three of them voted dry this year. Therefore be it

Resolved, We as a church do heartily endorse the Anti-League movement, and ask that a committee of one be appointed to co-operate with them in advancing the cause of prohibition.

Resolved, second, That we ask the Bishop presiding, to appoint a committee of five men to communicate with the evangelistic bodies of this state, asking them to appoint a like committee, and through these that such steps be taken as is necessary to induce if possible, such legislation as to submit the subject of prohibition to the voters of the State at large.

Resolved, That we urge upon Congress, the passage of a law which will prohibit the U. S. Government from issuing an Internal Revenue permit as a liquor dealer until satisfactory evidence is furnished that the dealer has a retail liquor license from the county in which he is to do business.

J. A. HENDRY, Chairman.

The Bishop appointed as committee of five called for in the above report: L. W. Moore, W. J. Carpenter, W. J. Davis W. J. Gray, G. S. Roberts.

Committee of one: H. Dutill.

AMERICAN BIBLE SOCIETY.

Your Board on American Bible Society is somewhat at a loss as to the best means for bringing about a livelier and more active interest in this important factor in the evangelization of the world.

The place which the American Bible Society occupies in the world wide missionary movement is as important, yea, as indispensably necessary, as that occupied by the Bible itself in the work of any Circuit, Station or Mission, in the Florida Conference; because without it, we would be without the Bible for our Missionary operations in many languages and in many countries.

Our law-makers seem to have realized this truth, as can be seen by the fact that the General Conference, in defining duties of a preacher in charge, couples the Bible Society with our Mission Boards.

Paragraph 134, which is answer 15, to the question: "What are the duties of a P. C." says: To promote all the interest of the Missionary Boards of our Church, etc.; also to present once a year to each congregation in his charge the claims of the American Bible Society.

From this paragraph, it is clearly seen that our book of Discipline expressly makes it the imperative duty of every pastor in Southern Methodism, not only to take a collection in each congregation under his care, in a perfunctory manner, but to represent the interests of the American Bible Society. Yet your Board regrets to note that some of the brethren have the habit of deferring this duty until it is too late to present the claims to even one congregation and then after reaching the seat of the Conference, put their hands into their own pocket and give ONE DOLLAR as a sort of compromise with their conscience for this lamentable neglect of a known duty, whereas, they might have brought up from \$4 to \$10 as a cheerful contribution from their people if they had complied with this disciplinary requirement.

We are persuaded that all of our preachers are in sympathy with the noble work of the grand old Bible Society, and that this neglect is due to the press of other collections ordered by the Discipline, and the Conferencee, and especially, of those that are laid upon them by an assessment, rather than to any intentional neglect.

Therefore, in order to counteract this tendency, your Board makes the following recommendations:

Resolved That each pastor provide himself with the literature prepared by the Society for gratuitous circulation, and place it in the hands of his people; and that as many as can subscribe for the Bible Society Record, a monthly review of Bible work which costs only 30 cents per year.

In view of the fact that God, in His providence has so prepared the way for His Word in pagan, heathen and semi-heathen lands that, today, the opportunities of an active propaganda are circumscribed only by financial limitation, we recommend that an amount equal to one per cent. of the pastor's salary be considered as the minimum which each should collect during the year for this important cause.

BOARD OF MISSIONS.

The Board of Missions present for information the following:

This Board recommends to the Bishop for appointment, R. Ira Barnett, Conference Missionary Secretary and C. C. Cecil, as Conference Missionary Evangelist.

The General Board has apportioned the sum of \$4950 for Foreign Missions and this Board has assessed \$6500 for Domestic Missions.

PUBLISHERS, FLORIDA CHRISTIAN ADVOCATE.

Live Oak, Florida, December 12, 1906.

To the Publishing Committee, Florida Christian Advocate,
Florida Conference, Methodist Episcopal Church, South.

Gentlemen:—We, the undersigned publishers of the Florida Christian Advocate, beg leave to submit the following annual report:

I.—The general condition of the Florida Christian Advocate is at present better, in our judgment, than at any time since we have been its publishers. The year just past has been fortunately free from any act, event or condition of circumstances of any nature, which would seriously affect the Advocate in any capacity to its detriment.

II.—The relations between editor and publishers have been of the most cordial nature. Dr. Pasco, editor of the Advocate, has performed his duties so far as we are able to judge in a most satisfactory manner, and we deem it a privilege and a very pleasant duty to heartily commend him to you as a very efficient editor.

III.—The remittances received through the agents of the Advocate, the pastors of the various charges in the Conference, show that in a number of the charges a thorough canvass has been made for subscriptions and renewals to the Advocate, and we desire to thank all pastors and agents who have sent us remittances on subscriptions during the year. We regret to state, however, that reports from some charges have been very meager, amounting to less than ten per cent of the amount due for the current year on subscriptions.

The total cash receipts from all sources for the past year, from December 12, 1905 to December 12, 1906, have been \$2,543.58, and there remains on the books subscriptions due and uncollected about \$4,000.

The circulation of the Advocate for the past year has not

changed materially, remaining at about three thousand copies per issue.

Respectfully submitted,

LIVE OAK PUBLISHING COMPANY, Publishers.

J. F. SHERWOOD, President.

A check for \$50.86 was paid to the Conference amount due per contract.

EDITOR FLORIDA CHRISTIAN ADVOCATE.

Dear Brethren:—A year ago, by your election and the appointment of the Bishop, I assumed the position of editor of our Conference organ. I have endeavored to discharge that duty in the fear of God to the best of my ability. The work was new to me and I have made mistakes, I know, but I have tried to be fair and just to all and my constant aim has been to make the paper a blessing to you and to our people.

During the year I have attended the six District Conferences; four of the Missionary Institutes; presided at the State Epworth League Conference at Ocala, and attended the Jacksonville District Epworth League Conference at White Springs.

I have dedicated three churches and visited besides twenty-five charges on invitation of the brethren, preaching for them; in all these visitations I have presented the claims of the Advocate.

I have been invited to many other charges, but the requirements of my office work prevented my accepting them.

I hereby acknowledge the uniform courtesy and kindness with which I have been everywhere received, and the co-operation of the brethren with me in my work.

The publishers will make their report on the number of subscribers, etc. We have labored under difficulties during the year; the frequent change of publishers and editors; the disastrous fire a year ago, all have created confusion in our subscription list; but we are gradually getting things into shape, and with an earnest effort on your part, we should during the coming year, be able to push the Advocate on a firm financial basis.

A word as to our Helping Fund. With one dollar from each pastoral charge, we could have about \$125, by which we could put the Advocate into that many homes where they are unable to pay for it. Some of the brethren have done more than this, and we earnestly beg that all will bear this fund in mind.

I have been treated with the utmost courtesy at all times by the Live Oak Publishing Company, the publishers of our Advocate, the resident member of the Publishing Company.

Brother J. P. Hilburn has been of great help to me by his words of counsel and encouragement, and the year's work has been most pleasant.

I trust that it has resulted in blessings to the readers
our paper. FREDERICK PASCO.

EPWORTH LEAGUES.

We, your Committees on Epworth Leagues, beg leave to submit this our annual report for your consideration. We are glad to report another year of progress in our League work. Our Conference shows an increasing interest in this great enterprise. The number of chapters reported this year is one hundred and four. The number of members is three thousand two hundred and ninety-four. The statistics reported by the General Board show a healthy growth, being four hundred and fifty-five gain in chapters, with ten thousand, four hundred and fourteen gain in membership. All departments of church work have been quickened and not a few missionaries and itinerant preachers won to service through the agency of the League.

We call attention to the "Ten Cent Assessment," by which current expenses of the Central Office are met.

The General Board reports increase in receipts from this source over former years, but it is necessary for each chapter to respond to the demand, for the best service to be realized.

A wise man has said: "When you deal with a boy destiny waits round the corner." Acting upon this principle, the General Conference last May authorized the formation of Boys' Leagues. This new departure will be hailed with delight by many League workers, and promises helpfulness. The Epworth Era continues to be one of the very best publications of our Church. It furnishes the best intellectual and spiritual food served in the finest style. The paper is to be enlarged. The Era, next to the Bible, is the principal working tool of the League. The other excellent literature of the General Board is on sale by the Publishing House. It is better than ever before. No investment will prove so profitable as money spent for proper equipment with League literature. Write to the Publishing House for specimens of all helps for League work.

The League is a vital enterprise to do the best work, one must have enthusiasm and consecration. We urge the pastors to give the League the same consideration shown the Sunday School.

Respectfully submitted,

JNO. E. MICKLER, President.

N. H. WILLIAMS, Secretary.

SUNDAY SCHOOL BOARD.

Dear Brethren of the Florida Annual Conference:

Believing that the ultimate triumph of the Kingdom of God is based upon the Christian training of children, we are glad to note that our Church is giving increased attention to this department of her work and is also able to report growing interest and success.

To stimulate interest and better methods in our Sunday School work in our Conference your Board has arranged with our Superintendent of Training Work, Dr. Hamill, to hold within the bounds of the Tallahassee District, at the suggestion of the Presiding Elder, a ten days series of institute work, and this to be followed by a training school in Tampa, of which he, Dr. Hamill, will be dean. These meetings will be fully advertised in the early part of the new year. To meet expenses incident to the work of the board and the needs of Mission Schools, we exhort pastors to see that Children's Day is duly observed according to the discipline.

JOINT BOARD OF FINANCE. REPORT No. 1.

Florida Annual Conference M. E. Church, South,

Dear Brethren:—Your joint Board of Finance beg to submit the following report:

First. We find 42 claimants on our list for the past year to which number seven have been added for the ensuing year.

Second. On account of the above additions to the list of claimants, we find it necessary to add to the assessment for the incoming year the sum of Five Hundred Dollars, making the assessment for 1907 \$5,500.00.

Third. We thank the pastors for their commendable activity in collecting the Conference Claimants funds in the year now closing and would respectfully urge prompt and heroic action during the year just ahead of us.

Fourth. The present law of our Church makes it incumbent on the pastors to present annually the claims of the Superannuate Endowment Fund to each congregation, and receive voluntary contributions to the same. We have communication from the Trustees of this fund calling attention to this fact, and urging that it be observed.

Respectfully,

Wm. POAGE, Chairman.

**REPORT OF THE CONFERENCE BOARD OF CHURCH
EXTENSION.**

To the Bishop and members of the Florida Conference,
Brethren:—We, the members of your Board of Church
Extension, beg leave to submit the following report.

We have had under careful consideration every interest
committed to our care. We are glad to report the cause of
Church Extension throughout the whole connection in a healthy
and prosperous condition. More and more the interest of this
great cause are being laid upon the hearts of our people, and
they are coming to understand it with ever growing apprecia-
tion and liberality.

The people are showing increased confidence in this arm

of our service both by their increased contributions, and their manifest appreciation of the stimulus which it affords in the matter of building Churches as well as the material aid which it affords. But while the contributions are steadily increasing the demands are increasing with still greater rapidity. During the fiscal year ending March 31, 1906, the General Board had before it applications for aid aggregating \$125,784. To meet these enormous demands it had on hand \$51,219.00, or but little more than 40 per cent. In our own Conference work this year the aggregate of applications for aid coming before this Board was \$2,725, while we had with which to meet this only \$1089, or about 40 per cent. While these are the largest sums ever had in any single year either by the General Board or by our own local Board, still it will readily be seen how great are the demands upon us in proportion too the resources at our command.

If the signs of these times are to be regarded at all as prophetic of the future, then the enlarging need of Church Extension within our own Conference has only fairly begun.

The unprecedented influx of foreign and other immigration to our State is making the demands for Church extension daily more imperious. The ends of the earth are converging upon the fair shores of Florida, and the heathen by thousands are knocking at the doors of our Christian institutions. With the opening of the Isthmian Canal the people will flock to all our coast country like doves to their windows. This heterogeneous mass must be cared for in the name of our Lord. This, in its best sense cannot be done without the aid of Church extension.

It affords us pleasure to be able to report that the assessment for the current year has been paid in excess. In addition to over paying the regular assessment, we have collected and paid as a special to "Little Italy" the sum of \$985.44 on a subscription of \$1087.85. The General Board has assessed upon our Conference for the ensuing year for Church Extension, the sum of \$2,562.. This sum, if collected in full, will only give to your Conference Board the sum of \$1,281 with which to do business another year. Your Board will need two or three times this sum to meet the growing demands that are upon them. Let no one think of raising less than the assessment made upon his charge, and in every case let the assessment be regarded as the minimum, to be exceeded as far as possible.

The apportionments on the several Districts for the ensuing year are as follows:

Tallahassee District	\$395.00
Jacksonville District	450.00
Gainesville District	490.00
Orlando District	405.00
Tampa District	500.00
East Coast District	325.00

We have aided this year the following Churches in the following amounts:

Stuart	\$ 94.50
Tarpon Springs	126.00
Crawfordville (cond)	50.00
Hastings (cond)	94.50
Park	94.50
Kindrick	94.00

REPORT OF SECRETARY OF CONFERENCE BOARD OF MISSIONS.

In making our Annual report of the Missionary work on our Conference territory, it becomes us first to lift up our eyes to the whitening harvest fields abroad, note the gracious opening which God has made there for his Church's entrance and give hearty thanks to Him for the success attending the labors of His servants. Never before have there been such marked tokens of God's favor on the work; and never such an awakening of interest in the Church at home under the intelligent and enthusiastic leadership of our Bishops and Missionary Secretaries, heartily seconded by many presiding elders and pastors. The Church is rapidly taking higher and more advanced ground. There is more general information, better plans and greater zeal and liberality being shown among us than ever before. Especially wise and timely do we deem the instruction and training of our young people in the Mission Study Classes; and urge upon all our pastors, the organ-

ization and development of these important adjuncts to mission work. From the Annual report of the General Secretaries we insert the following:

"The quadrennium which has just closed has been the greatest in the history of our missionary work. An increase of 12 per cent. in membership in our foreign fields last year, and the steady growth in collections at home giving an increase of \$645,573 over the amount contributed for foreign missions during the preceding quadrennium, are indicative of the blessing of God upon our native Church abroad and upon our people at home, who are coming into a deeper sense of personal responsibility to Christ for the preaching of the gospel to every creature. The opening of a Mission to the Jews, the establishment of work among the Italians, the rapid growth in the support of individual missionaries, the increase in the number of Mission Study Classes, and the success of the Missionary Training School are indicative of the spirit of vigorous missionary effort throughout the Church.

During the past year the regular collections on assessments from the Annual Conferences were \$355,626, the receipts from all sources \$467,846, and the receipts of the Woman's Foreign Missionary Society \$155,909, making a total of \$623,755 contributed for foreign missions. If to this item we add the \$228,240 collected for domestic missions, and the \$101,728 received by the Woman's Home Mission Society, we have the sum of \$955,723 for missionary work at home and abroad, or a total aggregating almost a million dollars."

In our Florida Conference there are forty-six charges and one district that has received help from the Conference Board. In some of these there has been gratifying increase in material as well as spiritual growth. In the East Coast District, which contains much missionary territory, there has been a notable advance, every charge in it reporting every claim in full. The other districts report both Foreign and Domestic Missionary assessments raised placing the Conference among those which have met their assessment in full. Besides this, there has been a handsome sum raised in specials, such as help for the Cuban and Italian Missions in Tampa, the school in Hiroshima, Japan, the special missionaries in Cuba supported by the Tallahassee and Gainesville Districts (and later, at the close of this Anniversary meeting \$1060 subscribed for the work in Songdo, Korea).

Some of our missions have been developed into self-supporting charges, others are gradually approaching that point; while some perhaps, for years will need help. For the saving of

souls through the labors of our devout and faithful missionaries, the comforting of God's needy ones, and the strengthening of Zion, we give devout thanks. The money invested in these fields has not been misspent, and those who contributed to the cause of Domestic Missions are investing in securities that will make sure returns in the day of final accounts.

We thus come to the close of our quadrennium of service as a Conference Board, rejoicing to see signs of God's favor on our efforts and his blessing on the labors of the men who have occupied the arduous, difficult and often discouraging places as Domestic Missionaries.

May the banner of our Lord be borne stil farther toward the front, and the hosts of the Church press forward until they occupy all this land for our King.

HENRY E. PARTRIDGE, Secretary.
